Dear Parents and Community,

Over the next couple of weeks, teachers will be busy conducting assessments and writing report cards. It is vital that students are at school each and every day so that they do not miss these important assessment pieces. Report cards will be sent home on Thursday 10th December, the second last day of school.

Unfortunately we have had to delay the process for selecting students for school leaders for 2016. Interviews with the students who have put in their applications will be held on Tuesday 17 November. Students will then give their speeches to the school on Tuesday 1 December.

Next Thursday night is our monthly P&C meeting, all parents are welcome to join us.

The end of Term 4 is busy with events and activities, please keep an eye out for notes and information that gets sent home and the calendar.

Regards,

Liam Bray

**BPOINT as the new Preferred Payment Method for Murarrie State School**

BPOINT is now the preferred payment method for all student invoices at Murarrie State School. On the bottom of each invoice the BPOINT payment method symbol will be displayed with a website link for you to visit and process your online payment (very similar to internet banking that many of you currently utilise). You can use a credit or bank debit card to make a payment. You do not need to register for BPOINT, you simply visit the link detailed below and enter CRN (customer reference number), invoice number, student name and exact amount of individual invoice. Please do not pay more than one individual invoice at a time. If you do not know your CRN please contact the school office for this information but the CRN will appear on school invoices.

BPOINT will issue you with a payment confirmation that you can email to yourself after making the payment or you can print or take a screen shot for your records. If you would like an official One S School receipt you may need to visit the school and request for it to be printed. The school will no longer manually receipt through the One School system for this payment method (BPOINT automatically talks to the school’s accounting system. Payments will process overnight and will appear in the school’s bank account within 24 hours of making a payment. The school will receive a daily report detailing those who have made a payment.

You may still pay by cheque, cash or eftpos or credit card over the phone if you wish, but the Department of Education and Training is promoting BPOINT as preferred payment method from now on. If you choose to pay via the traditional payment methods, the school will issue you with a One School receipt from the office, but either way we can see from our end who has outstanding invoices and who does not.

PLEASE CHECK INVOICE AMOUNT CAREFULLY AND PAY DOLLAR AND CENT VALUE ACCURATELY. THANK YOU.
