School Overview

Murarrie State School is a small school situated in Brisbane. The school continues to grow in size as well as its ability to produce quality outcomes for students.

The school is well supported by the Murarrie community with strong ties to families and ever-increasing ties to community bodies.

The staff is committed to on-going development and the message of high expectations is communicated through the school's three mantras:

- Be Better
- Be Safe
- Keep Our Great School Great.

Principal's Forward

Introduction

School Progress towards its goals in 2016

In 2016, Murarrie made extensive progress towards the recommendations outlined from its Teaching and Learning review.

The review identified development of a Whole School Curriculum and Reading Framework as its main pieces of work.

The school in conjunction with the community developed its three year strategic plan, which focused on Reading development and consistent planning practices across the school. The staff commenced professional development around the Gradual Release of Responsibility reading framework, began adapting their practices to ensure the delivery of a balanced reading program. The staff also work extensively with Regional support staff and networking school to develop their curriculum planning to ensure the elements of the Achievements Standards were being addressed.

Future Outlook

Murarrie's Explicit Improvement Agenda continues to be Reading. The school now has consistent practices across each of its classrooms, which ultimately enhances the student's understanding through a common use of language. Individual student goals and guiding reading groups are now the school's focus, as we look to ensure we are catering for the individual needs of each student.

P&C are updated each meeting with relevant happenings within the school including financial status and curriculum updates.

The school's P&C is very healthy with positive engagement from a number of regular attendees.

Respectful relationships programs

The school has developed and implemented a program or programs that focus on appropriate, respectful and healthy relationships. These programs include Rock and Water, which helps to develop resilience and conflict resolution skills amongst students. In conjunction with this, a

structured playroom is also utilized to help support student behavior and foster friendships amongst the students.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES

Long Suspensions – 6 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

**From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

2015-2016	27,238	218

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.
