Under the agreement for 2015
Murarrie State School will receive $23,870*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Ensure all students are achieving at or above the national minimum standards (NMS) in reading comprehension.
- Increase the percentage of Prep students able to read and comprehend texts from 10% at or above Level 5 PM Benchmark to 30% at or above Level 5 PM Benchmark.
- Increase the percentage of students in NAPLAN upper two bands (U2B) to 30% in Year 3 and Year 5 reading comprehension.

Our strategy will be to

- Implement a whole school approach to the teaching of text processing and comprehension with student groups based on reading ages.
- Employ additional teacher-aides during whole school reading time to support this approach.
- Engage in data analysis and the provision of feedback to staff, parents and students.
- Implement comprehension tests to determine students’ decoding skills and comprehension level.
- Facilitate action research to identify effectiveness of student progress with each text read.
- Review data and align student groups with the appropriate text and reading group.
- Provide suitable resources to accelerate reading comprehension skills.

Our school will improve student outcomes by
